\*email [info@grandlyifg.com](mailto:info@grandlyifg.com) or through Grandly Customer Service WeChat;

\*\*The arrival time is estimated by Grandly in processing customer deposits. It is subject to the inter-bank transfer speed, which needs some time for the inter-bank back-office to process the remittance. The notification from the sender's bank that "arrived" does not mean that Grandly has been received. After receiving the funds, Grandly needs to settle and approve internally after receiving the transferred funds from the customer.
